

VMX Magazine and Suzuki Australia invite you to...

SUZUKI CLASSIC DIRT 5

The greatest classic dirt bike weekend is on again.
25/26/27 April 2008 at Raymond Terrace, NSW.

Be there to ride and hang out with the legendary six-time
World Motocross Champion - Joel Robert!

You read it right, the one and only Joel Robert is coming to CD5. VMX Magazine and Suzuki Australia are very proud indeed to have secured Joel's attendance at Classic Dirt.

He'll be out on the track on both Saturday and Sunday and the rest of the weekend he will be available to talk to YOU. It just doesn't get any better than that!

What else has changed you may ask? Nothing major, we assure you, as we don't want to mess with the biggest and best classic dirt bike event in the southern hemisphere, so you can still look forward to –

- hours and hours of track time each day with NO RACING as in past years, on a very vintage-friendly track
- more parts in the swapmeet than you can poke a stick at
- trade stands
- a selection of current model Suzuki dirt bikes to test ride
- on-site camping
- full catering at reasonable prices
- sufficient shower/toilet facilities
- lots of Aussie dirt bike legends
- a dedicated trials area

Plus, seeing as so many of you just couldn't wait for the event to start on the Saturday (and turned up on Friday) at CD4, this time we will have a 'Welcome BBQ' on the Friday afternoon. That just happens to be Anzac Day, not only giving you an 'extra' day to travel, but also ensuring there'll be plenty to celebrate when you arrive. It will be a great opportunity to get to know everyone else, before the riding kicks off on Saturday morning.

Remember, the event caters ONLY for dirt bikes built prior to 1985. Motocross, enduro, trail, trial, minibike – it doesn't matter, bring them all along!!

When?

Friday/Saturday/Sunday – 25/26/27 April 2008

Where?

Barleigh Ranch, Raymond Terrace, NSW

Let's stop right there for a minute, as I hear some of you say "Ah, can be a bit rocky, and the facilities are a bit average and...". Well, not any more. If you haven't been to Barleigh Ranch very recently then you won't recognise the place. The new lessee of the complex has poured in significant amounts of time and money and it is like chalk and cheese – a far better track surface, much more open space for camping/parking, more facilities, landscaping, the lot – we're convinced it will suit CD5 to a tee.

Directions?

Barleigh Ranch is located about ten kilometers north of Raymond Terrace and is roughly two hours north of Sydney. Coming from the south, i.e Raymond Terrace, on the Pacific Highway, you need to turn left at Italia Rd (the turn-off will be signposted), then left again after a few hundred metres. That's it, you're there! Coming from the north, go about fifteen kilometers past Karuah, look for the signs and turn off to the right into Italia Road, then left after a few hundred metres, to the track.

Accommodation

There is ample accommodation in several towns surrounding the Barleigh Ranch complex, including of course Raymond Terrace itself, which is only ten minutes from the track. As well, camping will be permitted at the venue for a small fee.
