

Washing done,  
top-end done, CD4  
here we come!!!

VMX Magazine and Suzuki Australia invite you to...

# SUZUKI CLASSIC DIRT 4

The greatest classic dirt bike weekend is on again.  
28/29 April 2007 at Broadford, Victoria.

Come and ride with 1982 500 MX Champion 'Bad' Brad Lackey and hang out with world's most famous dirt bike magazine Editor Rick "Super Hunky" Sieman.

Broadford's GP track will be laid out and groomed specifically for the event and will be very vintage-friendly.

Just like the previous events, there will be NO racing, just general riding sessions, the biggest vintage dirt bike only swapmeet, trade stands, bike displays, and, test rides of a selection of Suzuki's current off-road bikes.

The vintage Trials contingent will have an area to play, vintage sidecars can enjoy the motocross track this time and we will also have available the Dirt Track circuit for the slider brigade.

Saturday evening will feature a 'Don't Ask' session with the legend himself - "Super Hunky", as well as some trivia questions and great prizes.

"Legend's Laps" will again feature the past masters of the Australian off-road scene.

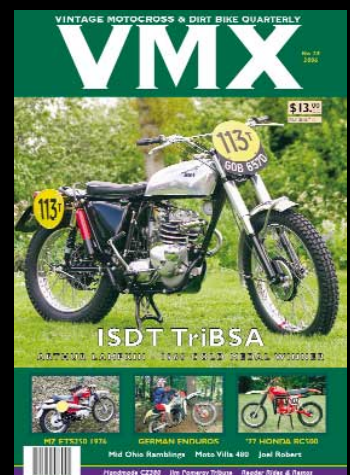

Without doubt, Suzuki Classic Dirt 4 will be the biggest vintage and classic dirt bike event that Australia has ever witnessed - so start planning, finish off those restos and be there!
